PRESIDENT: Senator Kremer.

SENATOR KREMER: Mr. Chairman, I'm the one that objected. I'll give my reason for doing so. No doubt Senator Savage has a reason for this. I think his reasons that he gave us are valid. On the other hand I'm fearful what's going to happen. Now these bills are up there in the order they were drawn. I have a bill up there that's coming up next. I know that there are people here today that intend to be present when the bill is discussed. I don't think it will take very long either. I'm fearful of what's going to happen once we start taking these bills out of their order. It concerns me. Now Senator Savage you have a right to go for the vote. If you get 25 why fine. I just want to explain why I objected.

PRESIDENT: The question is the adoption of Senator Savage's motion to take his bill up out of order. Record your vote. Have you voted? Record. Senator Savage.
